“Power Through” with Ms. Heather Schultz, Speaker

- Heather had an awesome childhood but it wasn't without challenges. She grew up in a home with an alcoholic father, overcame a speech impediment and was diagnosed with diabetes- ALL before she even graduated from high school. Today Heather is thriving and successful, due to her resilient mindset. Everyone – no matter who you are – has challenges to face, but when you doubt yourself you stunt your success and become your own biggest obstacle. Heather knows that you do not have to be what happens to you, but rather you can be a collection of what you choose to be in each of those moments. Power Through takes an authentic look at using a resilient mindset to overcome hurdles and become the best version of YOU!
- “I Said Yes to KY FCS” Recognition – Kayla Godbey, State FCS Supervisor

UK Cooperative Extension Service Careers & Internships

Stopher

Presiding: Stacy Miller & Antomia Farrell

The University of Kentucky Cooperative Extension Service provides practical research based education to help people, businesses, and communities solve problems, develop skills, and build a better future. This session will expose FCCLA members to potential careers and internship opportunities within the University of Kentucky Cooperative Extension Service. The presentation will give you the tools and resources to make yourself more marketable as you begin to explore college and careers.

People Not Property

Coe

Presiding: Noah Perry & Kaylee Lane

People, Not Property is an awareness campaign against the dangers of human trafficking. Our goal is to educate the public on how to detect cases of human trafficking and how they can help put a stop to the epidemic. We support bill s.1311 the Abolish Human Trafficking and Slavery Act. Our desire is to push for change and reform in the way we deal with human trafficking. Our other goal is to educate everyday people and law/emergency services on how to use our symbol H.A.L.T. (health, age, living conditions, and temperament) to determine and report human trafficking.

Campaign for Tobacco Free Kids

French

Presiding: Josh Coleman, Mason County High School

This is a youth advocacy initiative to save lives by advocating for public policies that prevent young people from smoking, help smokers quit and protect everyone from secondhand smoke. This session will help members develop project ideas to establish the program in your school.

C Yourself: College, Career & Community

Carroll Ford

Presiding: Dion Copeland, University of Louisville

C Yourself! In this session we will examine the ways you C yourself in college, in your career, and in your community. You will be given tips on how to invest yourself promisingly in these realms so you can ultimately C success.

See next page for additional concurrent sessions

ATTENTION STAR WINNERS!

All 1st and 2nd place winners (except only 1st place in Culinary Arts and no Modified Job Interview and Modified Career Investigations) advance to the National STAR Events competition in Anaheim, CA. All winners and advisers are required to attend the National Delegate Meeting on Thursday, March 21, 2019, in the Combs Chandler Room 20 minutes after the adjournment of the meeting.

In the event that first and second place participants cannot attend the 2019, National Leadership Conference, the sequential placing participants will be notified to take their place.

All chapter members, advisers, chaperones are expected to serve as a volunteer at the National Leadership Conference.

*****In the following events: Applied Math for Culinary Management; Hospitality, Tourism and Recreation; Job Interview; Sports Nutrition; and Teach & Train, the highest score will determine which category (senior OR occupational) will advance to the National STAR Events Competition. For example, Team A is a senior category, team B is a senior category, and team C is an occupational category. They will all compete against each other. If team A receives a score of 94, and team B receives a score of 91, and team C receives a score of 90 team A and team B will advance to nationals in the senior category as the representatives for that particular event. Thus, there would be NO KY occupational category representative at nationals. The highest scores always prevail.**
